

2023 Highlights from the Boundary Trails Health Centre Foundation

MESSAGE FROM OUR BOARD CHAIR

2023 was a fantastic year for the Foundation and the Board is appreciative of the overwhelming community support we received at our annual fundraisers while we were also in the middle of our \$10 million Capital Campaign. We cannot thank our communities enough for the support and encouragement we have received. For 2024, the Board remains focused on our annual commitments at BTHC while working with BTHC leadership to build capacity for expanded services at our hospital. Thank you for your gifts in 2023 and support in 2024.

How You Helped this Year

2024 Golf Tournament is a Sell Out!

Our 23rd Annual Charity Golf Tournament will be held this year at the Winkler Centennial Golf Course. This sold out event is taking place **Thursday, August 15th**. We are excited to welcome back Pembina Valley Canvas and Winkler Canvas as our tournament sponsors.

THE FUTURE IS NOW

BTHC FOUNDATION

Capital Campaign & Construction Update

It was back in 2022 at our annual Gala, that we launched the Future is Now Capital Campaign with great excitement and a \$10 million fundraising goal. One incredible year later, the BTHC Foundation Board of Directors announced at the 2023 Gala that our goal has been met. This unprecedented achievement could not have been possible without the belief, support and confidence of our local governments, businesses and individual donors who trusted the Foundation to make this happen. We have said time and time again what an overwhelmingly generous community we live in and the Board continues to be amazed at the gifts freely given to expand healthcare at BTHC. Thank you!

Although our capital campaign has officially concluded, we remain engaged with BTHC leadership and Southern Health-Santé Sud to identify priorities and enhance capabilities for expanded services in the upcoming years. Donations earmarked for future services and programs within the expanded facility will be welcomed under the banner of "Building for the Future."

We will continue to keep our donors updated with construction photos and progress reports. The Board of Directors would like to thank each and every one of you for your contributions to the Campaign. It has been a very exciting year and we look forward to the completion of an expanded and enhanced BTHC that our communities can be proud of for years to come. It could not have been possible with you!

THE FUTURE IS NOW

BTHC FOUNDATION

Major construction work on the expansion site began in June. Southern Health-Sante Sud has been sending the Foundation drone photos as the project progresses. Pictured here is foundation work underway for the BTHC addition in June. There are 271 piles pounded in for the entire project.

In August, work moved to the Community Services Building. Did you know, that if you took all the reinforcing steel in the concrete used in our construction project, and lay it end to end, you could go from Boundary Trails Health Centre to Darlingford (about 29 km)?

Warmer than usual December temperatures helped keep construction on track and crews comfortable on the job site! To date, crews have poured 336 cubic meters of concrete, enough to produce two Olympic size hockey rinks.

Start Your Engines!

The Foundation was thrilled to be named the chosen charity for Valley Motorsports Association's inaugural season last year at the Dead Horse Creek Speedway (formerly ALH Motor Speedway). VMA organized two race weekends last summer with the net proceeds supporting the Future is Now Capital Campaign.

For 2024, VMA is once again supporting the Foundation and hosting three thrilling weekends of dirt track racing action. Mark your calendars for **May 24th-26th, July 4th-6th and August 22nd-24th**. For event and ticket information, visit www.deadhorsecreekspeedway.ca.

Our staff payroll 50/50 continues to grow, giving away biweekly jackpots over \$9,000 to healthcare employees. Last year we awarded over \$201,000 to staff across the health region. Money raised through this draw supports the three regional hospitals, BTHC, Portage District General Hospital and Bethesda Regional Health Centre. This 50/50 is closed to healthcare employees in the Southern Health-Santé Sud region.

A Tasty Partnership with Tim Hortons

The BTHC Foundation is smiling this spring thanks to a new partnership with Tim Hortons in Morden and Winkler for the 2024 Smile Cookie Campaign, held **April 29th-May 5th**. The final numbers were incredible, with over 25,000 cookies sold and over \$40,000 raised. Thank you for your support! We can't wait to do it all over again next year.

It's a Backyard Blast!

Say Hello to summer and upgrade your backyard with the BTHC Foundation! Sponsored by Winkler's Canadian Tire, one lucky winner will win everything you need to create your own backyard oasis.
